

Part-time Pharmacist Teaching Position Available

Medisca Network is currently looking for Pharmacists with compounding experience to join our team of skilled instructors to teach various compounding courses in our newly built training facility in Richmond, British Columbia. The ideal candidate should enjoy teaching others, possess excellent communication skills and have a passion for compounding.

For more information on our company, please refer to our website: www.medisca.net.

JOB SUMMARY: The main purpose of this position is to assist pharmacists and pharmacy technicians to learn how to prepare non-sterile and / or sterile compounded dosage forms. The typical program runs from Friday to Sunday. We currently offer five non-sterile and two sterile programs per year.

QUALIFICATIONS:

- Minimum of three (3) years of experience teaching compounding or experience working as a non-sterile and / or sterile compounding pharmacist
- Advanced communication skills. Fluent English
- Excellent interpersonal and relationship building skills
- Ability to present ideas well and give positive instruction to others
- Enthusiastic, captivating and interesting presentation style
- Able to adapt to different types of learning styles
- Resourceful, proactive and independent
- Dynamic, energetic, charismatic
- Well-developed leadership skills

If you feel that you have the skills required for this position, apply now by sending your resume to hr@medisca.com.

We thank all applicants for their interest; however, only candidates to be interviewed will be contacted.
