

HUMBER

Conference Services

Attention Pharmacy Technicians:

Humber Institute of Technology & Advanced Learning is pleased to present the
28th Annual
Pharmacy Technicians Conference
taking place on February 20, 2010 at Humber's North Campus.

Network with industry experts and pharmacy technician professionals. Find out who is hiring, new products in the industry, the variety of opportunities and positions available to pharmacy technicians and learn about hot-topics relevant to technicians.

Opening Keynote Presentation:
Prescription Drug Diversion & Real World Consequences
Presented by Kim Ruthig and O.P.P Constable Glenn Holland

Concurrent Workshop topics include:

- Methadone: Dispelling the Myths and Understanding the Program
- Anti-Aging Procedures
- Identification and Prevention of Drug Related Problems
- Compounding
- Opportunities and Challenges of Remote Dispensing

And many more hot topics!

Join us after the closing keynote presentation to finish the day at the
CAPT Sponsored Wine and Cheese Event.

We will be raffling door prizes and handing out certificates of attendance during this networking celebration.

Online Registration is now opened! Check out pharmacy.humber.ca for more information on workshop topics and presenter biographies. Spaces are filling fast, register and reserve your space today. The Delegate registration rate is \$199 + GST for this educational event of the year for pharmacy technicians.
